

## COVID-19 High-Impact Allocation

COVID-19 High-Impact Allocation: HHS is distributing \$10 billion to 395 hospitals who provided inpatient care for 100 or more COVID-19 patients through April 10, 2020, and will distribute an additional \$2 billion to these hospitals based on their Medicare and Medicaid disproportionate share and uncompensated care payments.

## Low Income and Uninsured Patients

HHS is distributing an additional \$2 billion to these 395 hospitals in proportion to the amount of care they provide to low-income and uninsured patients. This funding will provide these hospitals with additional, proportionally greater funding to purchase equipment, hire additional staff, and procure other needed resources to care for patients during the COVID pandemic. The table below highlights areas across the country that will receive the largest portion of the \$2 billion distribution.

### \$2 Billion Distribution to Hospitals Treating Low-income and Uninsured Patients

<b>By State</b>	
NY	\$686,681,434
NJ	\$137,657,146
IL	\$134,495,975
FL	\$119,390,472
