Hey Megan,

Thanks again for your follow-up on the MACRA rule. Congressman Price would like to setup a MACRA follow-up call with Dr. Conway next week once he's back in DC. Do you have any availability on Tuesday afternoon next week for a quick call? I've copied our scheduler here.

Many thanks!

Apologies for the delay- here is the list for 2017 and 2018. I'm also providing a link to where you can find it on our website (under learn more about advanced payment models)
<https://qpp.cms.gov/education>

For the 2017 performance year, under the Quality Payment Program, clinicians may earn a 5 percent incentive payment through sufficient participation in the following Advanced APMs:

- Comprehensive ESRD Care Model (Large Dialysis Organization (LDO) arrangement)
- Comprehensive ESRD Care Model (non-LDO two-sided risk arrangement)
- CPC+
- Medicare Shared Savings Program - Track 2
- Medicare Shared Savings Program - Track 3
- Next Generation ACO Model
- Oncology Care Model (two-sided risk arrangement)

In 2018, we anticipate that clinicians may also earn the incentive payment through sufficient participation in the following new and existing models:

- Medicare ACO Track 1+ Model
- New voluntary bundled payment model
- Comprehensive Care for Joint Replacement Payment Model (Certified Electronic Health Record Technology (CEHRT) track)
- Advancing Care Coordination through Episode Payment Models Track 1 (CEHRT track)

If Mr. Slavitt will be on the Hill on Wednesday, is there any chance Dr. Price could speak with him in person before the hearing?
