US Department of Health and Human Services

Third Party Websites and Applications Privacy Impact Assessment

Date Signed:

April 24, 2019

OPDIV:

IHS

Name:

PrEP Providers' Perception Project

TPWA Unique Identifier:

T-8967116-426216

Is this a new TPWA?

Yes

Will the use of a third-party Website or application create a new or modify an existing HHS/OPDIV System of Records Notice (SORN) under the Privacy Act?

No

If SORN is not yet published, identify plans to put one in place.

No SORN Needed

Will the use of a third-party Website or application create an information collection subject to OMB clearance under the Paperwork Reduction Act (PRA)?

Yes

Indicate the OMB approval number and approval number expiration date (or describe the plans to obtain OMB clearance).

OMB Approval   0917-0036

Indicate the OMB approval number expiration date (or describe the plans to obtain OMB clearance).

Expiration Date: 1/31/22 12:00 AM

Describe the plans to obtain OMB clearance.

Explanation: null

Does the third-party Website or application contain Federal Records?

No

Describe the specific purpose for the OPDIV use of the third-party Website or application:

To gauge how many clinicians are prescribing pre-exposure prophylaxis for HIV, and any obstacles they encounter to prescribing PrEP.

Have the third-party privacy policies been reviewed to evaluate any risks and to determine whether the Website or application is appropriate for OPDIV use?

Yes

Describe alternative means by which the public can obtain comparable information or services if they choose not to use the third-party Website or application:
It can be obtained via conventional mail in a hard copy (e.g., paper) format.

Does the third-party Website or application have appropriate branding to distinguish the OPDIV activities from those of nongovernmental actors?
Yes

How does the public navigate to the third party Website or application from the OPIDIV?
An email will be sent to the public, and this email will contain a link. Clicking on the link will automatically take them to the third party Website.

Please describe how the public navigate to the thirdparty website or application:
They navigate via clicking on a hyperlink to the third-party website provided in an email.

If the public navigate to the third-party website or application via an external hyperlink, is there an alert to notify the public that they are being directed to anongovernmental Website?
No

Has the OPDIV Privacy Policy been updated to describe the use of a third-party Website or application?
Yes

Provide a hyperlink to the OPDIV Privacy Policy:
www.ihs.gov/privacypolicy

Is an OPDIV Privacy Notice posted on the third-part website or application?
No

Is PII collected by the OPDIV from the third-party Website or application?
No

Will the third-party Website or application make PII available to the OPDIV?
No

Describe the PII that will be collected by the OPDIV from the third-party Website or application and/or the PII which the public could make available to the OPDIV through the use of the third-party Website or application and the intended or expected use of the PII:
PII will not be collected.

Describe the type of PII from the third-party Website or application that will be shared, with whom the PII will be shared, and the purpose of the information sharing:
PII will not be collected.

If PII is shared, how are the risks of sharing PII mitigated?
PII will not be collected.

Will the PII from the third-party website or application be maintained by the OPDIV?
No

Describe how PII that is used or maintained will be secured:
PII will not be collected.

What other privacy risks exist and how will they be mitigated?
PII will not be collected.
