PRIVACY ACT STATEMENT

Records System: 09-40-0001 "PHS Commissioned Corps General Personnel Records," HHS/PSC/HRS, and 09-40-0010 "Pay, Leave and Attendance Records," HHS/PSC/HRS.

Authority for Collection of Information: 37 U.S.C. 201, 301, and 401; 42 U.S.C. 202 et seq., 213; and Executive Order 9397.

Purposes and Uses: The principal purpose for collecting this information is to determine the period an individual is authorized pay and allowances for an intermittent tour of duty. The information will be used to authorize payment or nonpayment of pay and allowances. The information may be used for study purposes and/or collection of statistical data for reports to other Federal agencies and the Congress, and for other lawful purposes, including law enforcement and litigation. Otherwise, the information you provide on this form will not be disclosed outside this Department without written consent.

Information Regarding Disclosure of Your Social Security Number (SSN): Disclosure of the SSN is mandatory under provisions of the Social Security Act. Public Health Service (PHS) commissioned officers are under Social Security coverage and employment and taxes must be withheld from their compensation. The SSN is also used as an identifier throughout an officer's career. It is used primarily to identify an officer's personnel, leave, and pay records and to relate one to the other. The SSN is also used in connection with lawful requests for information from former employers, educational institutions, and financial or other organizations. The information gathered through the use of the number will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of systems of records. The use of the SSN is made necessary because of the large number of present and former active, inactive, and retired officers and applicants who may have identical names and birthdates, and whose identities can only be distinguished by the SSN.

Effects of Nondisclosure: All of the information, except the SSN, is furnished voluntarily. Failure to supply complete and accurate information may result in delays and/or errors in determining rates of pay and allowances authorized and, therefore, result in late payment or nonpayment. All statements are subject to verification.
