Describe the specific purpose for the OPDIV use of the third-party Website or application:

The Office of Urban Indian Health Programs (OUIHP) Confer Session Survey is used to measure the level of satisfaction with the Indian Health Service Office of Urban Indian Health Programs' conferring process. By conferring with Urban Indian Organizations located in metropolitan areas across the country, the Indian Health Service ensures that the health care needs of the urban Indian population are considered at the local, Area, and national levels. It is Indian Health Service policy to confer with Urban Indian Organizations, to the maximum extent practicable, whenever a critical event or issue, arises in implementing or carrying out the Indian Health Care Improvement Act.

After each Confer Session, Chief Executive Officers and Executive Directors of 41 Urban Indian Organizations will be provided the OUIHP Confer Session Survey by email with a link to the Survey Monkey, by mail, or in person. The survey is anonymous. No protected health information or personally identifiable information is collected. The information will be used to improve the conferring process.
