(e) In the event it is desired to amend an Order issued hereunder for any reason, an amended Order will be initiated by the Government and forwarded to the Contractor for completion and signature, who shall then process the same in the same manner as an original. Such amended Order shall bear the same number as the original Order in addition to the appropriate amendment number.

II. CONSIDERATION, PAYMENT AND INVOICES.

(a) The Government will pay to the Contractor as compensation, the cost of the course of instruction of each student as set forth in the Order covering his/her enrollment, which cost will in no event be a greater amount than charged for other students pursuing the same or similar curriculum; provided that, if the Contractor regularly charges higher rates of tuition for students who are not residents of the State in which the Contractor is located, the Contractor may charge the Government not in excess of the lowest rates applicable to such nonresident students.

(c) It is understood and agreed that Bureau, Division, and Institute Chiefs of the Public Health Service may sign individual Orders to this General Training Contract.

III. TERMINATION.

(a) The performance of work under this contract may be terminated by the Government in accordance with this paragraph in whole, or from time to time in part, whenever, (i) the Contracting Officer shall determine that any such termination is for the best interests of the Government, or (ii) the student voluntarily, or at the request of the Contractor, withdraws from any course or courses. Whenever termination is effected pursuant to (i) above, the Contracting Officer shall deliver to the Contractor a notice of termination specifying the extent to which performance of work under this contract shall be terminated and the effective date of such termination. Whenever termination is effected under (ii) above, the student, after receiving approval of the Officer whose name appears on the original Order, shall notify the Contractor of the effective date of his/her withdrawal and upon receipt by the Contractor of any such notice, it shall discontinue all the work and activity specified by such notice at the time set forth therein.

VI. REPORTS.

(a) The contractor shall submit to the sponsoring program within the Public Health Service, at the end of each term or semester and at such other times as may be directed a written report containing the progress and grades of each student and such other information as may be required: Provided that, any report required by the Government not regularly furnished other students pursuing the same or similar curriculum will be paid for by the Government at a rate agreed upon in advance either in an original Order or an amended Order.

(b) Any student who, in the opinion of the Government, fails to maintain a satisfactory standing in the course in which he/she has enrolled or whom the Contracting Officer, for any reason whatsoever, desires to remove from such course may, at the option of the Contracting Officer be withdrawn at any time. In such event or in the event that the Contractor ejects any student for breach of its regulation, the matter shall be treated as a partial termination and the tuition for such student shall be computed in accordance with Article III hereof.

VII. DISPUTES. Except as otherwise provided in this contract, any disputes concerning a question of fact arising under this contract which is not disposed of by agreement shall be decided by the Contracting Officer, who shall reduce his/her decision to writing and mail or otherwise furnish a copy thereof to the Contractor.
