Complainant

v.

Springmart, Inc.  
d/b/a Spring Mart / BP,

Respondent.

Docket No. C-15-687  
FDA Docket No. FDA-2014-H-2209

Decision No: CR3645

Date: February 11, 2015

**INITIAL DECISION AND DEFAULT JUDGMENT**

The Center for Tobacco Products (CTP) filed an Administrative Complaint (Complaint) against Respondent, Springmart, Inc. d/b/a Spring Mart / BP, that alleges facts and legal authority sufficient to justify the imposition of a \$500 civil money penalty. Respondent did not answer the Complaint, nor did Respondent request an extension of time within which to file an answer. Therefore, I enter a default judgment against Respondent and assess a \$500 civil money penalty.

CTP began this case by serving the Complaint on Respondent and filing a copy of the Complaint with the Food and Drug Administration's (FDA) Division of Dockets Management. The Complaint alleges that Respondent sold cigarettes to minors, and failed to verify, by means of photo identification containing a date of birth,

that tobacco purchasers were 18 years of age or older, thereby violating the Federal Food, Drug, and Cosmetic Act (Act), 21 U.S.C. § 301 *et seq.*, and its implementing regulations, Cigarettes and Smokeless Tobacco, 21 C.F.R. pt. 1140 (2013). CTP seeks a civil money penalty of \$500.

On December 18, 2014, CTP served the Complaint on Respondent by United Parcel Service, pursuant to 21 C.F.R. §§ 17.5 and 17.7. In the Complaint and accompanying cover letter, CTP explained that within 30 days, Respondent should pay the proposed penalty, file an answer, or request an extension of time within which to file an answer. CTP warned Respondent that if it failed to take one of these actions within 30 days, an Administrative Law Judge could, pursuant to 21 C.F.R. § 17.11, issue an initial decision ordering Respondent to pay the full amount of the proposed penalty.

Respondent has not filed an answer within the time provided by regulation, nor has it requested an extension. Pursuant to 21 C.F.R. § 17.11(a), I am required to “assume the facts alleged in the [C]omplaint to be true” and, if those facts establish liability under the Act, issue a default judgment and impose a civil money penalty. Accordingly, I must determine whether the allegations in the Complaint establish violations of the Act.

Specifically, CTP alleges the following facts in its Complaint:

- Respondent owns Spring Mart / BP, an establishment that sells tobacco products and is located at 2221 Main Street, Springfield, Massachusetts 01104. Complaint ¶ 3.
- During an inspection of Respondent’s establishment on November 7, 2012, at approximately 4:51 PM, an FDA-commissioned inspector observed that “a person younger than 18 years of age was able to purchase a package of Marlboro cigarettes . . . [.]” The inspectors also documented that “the minor’s identification was not verified before the sale . . . .” Complaint ¶ 10.
- On January 10, 2013, CTP issued a Warning Letter to Respondent regarding the inspector’s observations from November 7, 2012. The letter explained that the observations constituted violations of regulations found at 21 C.F.R. § 1140.14(a) and (b)(1), and that the named violations were not necessarily intended to be an exhaustive list of all violations at the establishment. The Warning Letter went on to state that if Respondent failed to correct the violations, regulatory action by the FDA or a civil money penalty action could occur and that Respondent is responsible for complying with the law. Complaint ¶ 10.
- By letter on March 1, 2013, Respondent’s site manager, Mr. Budhwani, responded to the Warning Letter. “The response stated that all employees were trained to verify identification, signs were posted to remind employees to verify the age of

tobacco purchasers, and employees were rewarded for passing inspections.”  
Complaint ¶ 11.

- During a subsequent inspection of Respondent’s establishment, conducted on June 17, 2014, at approximately 11:28 AM, FDA-commissioned inspectors documented that “a person younger than 18 years of age was able to purchase a package of Marlboro cigarettes . . . [.]” The inspectors also documented that “the minor’s identification was not verified before the sale . . . .” Complaint ¶ 1.

These facts establish that Respondent is liable under the Act. The Act prohibits misbranding of a tobacco product. 21 U.S.C. § 331(k). A tobacco product is misbranded if distributed or offered for sale in any state in violation of regulations issued under section 906(d) of the Act. 21 U.S.C. § 387c(a)(7)(B); 21 C.F.R. § 1140.1(b). The Secretary of the U.S. Department of Health and Human Services issued the regulations at 21 C.F.R. pt. 1140 under section 906(d) of the Act. 21 U.S.C. § 387a-1; *see* 21 U.S.C. § 387f(d)(1); 75 Fed. Reg. 13,225, 13,229 (Mar. 19, 2010). The regulations prohibit the sale of tobacco products to any person younger than 18 years of age. 21 C.F.R. § 1140.14(a). The regulations also require retailers to verify, by means of photo identification containing a purchaser’s date of birth, that no cigarette purchasers are younger than 18 years of age. 21 C.F.R. § 1140.14(b)(1).

Respondent violated the prohibition against selling tobacco products to persons younger than 18 years of age, 21 C.F.R. § 1140.14(a), on November 7, 2012 and June 17, 2014. On those same dates, Respondent also violated the requirement that retailers verify, by means of photo identification containing a purchaser’s date of birth, that no cigarette purchasers are younger than 18 years of age. 21 C.F.R. § 1140.14(b)(1). Therefore, Respondent’s actions constitute violations of law that merit a civil money penalty.

CTP has requested a fine of \$500, which is a permissible fine under the regulations. 21 C.F.R. § 17.2. I thus find that a civil money penalty of \$500 is warranted and so order one imposed.
