

Transforming Healthcare Education and Practice

Cathy Y. Poon, PharmD, FPPAG

Associate Provost, IPE and Clinical Programs

**Interim Chair, Department of Pharmacy Practice and
Pharmacy Administration**

**Philadelphia
College of
Pharmacy**
University of the Sciences

Overview

- **Interprofessional Education Collaborative (IPEC) Core Competencies**
- **Doctor of Pharmacy ACPE 2016 Standards**
- **Pharmacist Roles of the Transformed Healthcare Model**

IPEC = Interprofessional Education Collaborative

ACPE = Accreditation Council for Pharmacy Education

Interprofessional Education Collaborative

- **American Association of Colleges of Pharmacy – member of the Core Competencies for Interprofessional Collaborative Practice**

Transforming Pharmacy Education

- **Why new standards?**
 - Feedback from ACPE stakeholders
 - Institute of Medicine report
 - Expansion of the scope of pharmacy practice
 - Revision of AACP's Center for the Advancement of Pharmacy Education (CAPE) Education Outcomes in 2013

Key Competencies

- **Five key competencies for all healthcare professionals**
 - Provide patient-centered care
 - Work in interprofessional teams
 - Employ evidence-based practice
 - Apply quality improvement
 - Utilize informatics

Doctor of Pharmacy ACPE 2016 Standards

- Accredited pharmacy programs
 - APPE-ready
 - Practice-ready
 - Team-ready

ACPE Standards 2016

- Pharmacist's patient care process
- Expanded focus on interprofessional education
- Explicit expectations for practice skills across the lifespan
- Ambulatory care practice

**Pharmacists are often
underutilized.**

Pharmacist Roles

- Collaborative Drug Therapy Management
- Goal: Primary care drug use and safety issues
- Medication records
- Medication problems
- Transition of care challenges

Patient-centered Medical Home

- Team-Based Care
- Access to Care
- Patient Engagement
- Continuity of Care
- Care Coordination
- Health Informatics
- Quality and Safety Initiatives

Other Practice Settings

- **Community based healthcare centers**
- **Student initiative healthcare clinics**

Patients achieve optimal health and medication outcomes with pharmacists as essential and accountable providers within patient-centered, team-based healthcare.

Vision for Pharmacists' Practice 2020
