Contact the Council

We encourage you to [visit us](#) to learn more about our mission, purpose and offerings.

Meet the Council Members

The Council on Patient Safety in Women's Health Care's purpose is a unique consortium of organizations across the spectrum of women's health who have come together to promote safe health care for every woman.

We invite you to find out more about the member organizations who make the Council possible. Without their dedication, support and continual input, we would not be able to provide the comprehensive support available on this site. Meet the Council Members [by clicking here](#).

Get the SMM Reporting Forms

Get access to the [Severe Maternal Morbidity \(SMM\) Reporting Forms](#) easily and quickly (registration required).

www.safehealthcareforeverywoman.org
