

**Notice Regarding Recalculated 340B Ceiling Prices for Shire U.S. Inc. Products for the Period January 1, 2010 through December 31, 2014**

In accordance with applicable law, regulation and guidance, Shire US Inc. ("Shire") has recalculated Average Manufacturer Price (AMP) and Best Price (BP) values previously submitted to the Centers for Medicare & Medicaid Services (CMS) for our products for the period January 1, 2010 through December 31, 2014. Shire has also recalculated the 340B ceiling prices for products affected by the AMP/BP restatement. Shire has asked the Office of Pharmacy Affairs (OPA) to post this Notice on the OPA's public website to ensure transparency by providing access to information about Shire's recalculation and potential overpayment by certain 340B Covered Entities for impacted Shire products (see attached).

The recalculated ceiling prices may be either higher or lower than the original ceiling prices. Where Shire's data shows that a Covered Entity overpaid by \$1 or more in the aggregate during the specified time period, Shire has worked with Apexus, the 340 B Prime Vendor, to issue refund checks to those Covered Entities. In the event that Shire's data demonstrates that a Covered Entity has overpaid by less than \$1 in the aggregate during the specified time period, Apexus will not be issuing refund checks on Shire's behalf. Rather, if a Covered Entity believes it has overpaid by less than \$1 in the aggregate during the January 1, 2010 through December 31, 2014 time period and would like a refund, it should contact Shire directly via email at [340Binquiries@Shire.com](mailto:340Binquiries@Shire.com).

Upon the 340B Covered Entity's request, and upon Shire's internal validation, an aggregate overpayment of less than \$1 for impacted products set forth in the attached list for the period January 1, 2010 through December 31, 2014, will be refunded by Shire.
