Notice to 340B Covered Entities regarding potential overcharges for NDCs under the 16781 Labeler Code

Dear 340B Covered Entities:

Valeant Pharmaceuticals, Inc. has identified that the NDCs below, sold under the company's 16781 labeler code, were omitted from our Q1 2018 and original Q2 2018 PHS contract price communication to our wholesaler customers. (Please note that this error impacted Q2 only through April 4, 2018.) Both Q1 and Q2 pricing now has been communicated to our wholesaler partners, and the 340B ceiling price is available for both periods. 340B covered entities that purchased the NDCs below during this timeframe, and were not charged the 340B ceiling price, will receive a credit to be processed through the wholesaler from which they purchased these products. Please send an e-mail to Chargebacks@valeant.com with "Attention: 16781 credit/rebill" in the subject line so that we can work with you to insure a credit/rebill is processed for any overcharged units.
