Introduction

Welcome to the 340B Office of Pharmacy Affairs (OPA) Information System (OPAIS). This document provides instructions to help you learn how to use the functions of the 340B OPAIS to which you have access.

What's New and What's Changed

This release of the 340B OPAIS is a major update of the system. There are important changes in a number of major areas.

Appearance	The system interface has been changed to make information more user friendly.
Home Page	The functions you can perform are determined by your user role. Until you log in, you may only access the Search, Reports/Files, and Login functions.
Data Display	All tabular data displays can be sorted, filtered, and exported to Microsoft Excel.
Help/Reference	All materials have been consolidated in under the Help link in the page header. The help contents are tailored to your user role. Help includes a full-text search capability, the ability to print any individual topic, and links to: <ul style="list-style-type: none">• HRSA 340B frequently asked questions (FAQs)• HRSA 340B Eligibility & Registration information• HRSA 340B Forms• HRSA Medicaid Duplicate Discount Prohibition• Database Notes• Medicaid Exclusion File• Email Notifications list• Termination Codes• Covered Entity Acronyms• 340B Glossary• 340B user guide (PDF) for your user role

What You Can Do

If you are not logged into the 340B OPAIS, you will only have access to a limited selection of the system's capabilities. When you view the home page, you will only see the **Search**, **Reports/Files**, and **"I Am a Participant"** icons. You will be able to:

Search	Use a variety of search criteria to search for Covered Entities (CE), Contract Pharmacies (CP), and Manufacturers (MFR).
View Search Results	View a table of results that match your search criteria.
View Details	Select an individual CE, CP, or manufacturer to view its details.
Export Search Results to Microsoft Excel	Select one or more records from your search results and specify individual fields to export to a Microsoft Excel spreadsheet.
View Reports and Files	Review and download a variety of available reports and files.
Create a 340B User Account	When you create an account as an Authorizing Official (AO) or Primary Contact (PC) for a covered entity or manufacturer, the 340B system will automatically locate and associate your existing covered entities and contract pharmacies or labeler codes. Upon successful creation of an account, the system will allow you to login to the application using the credentials you registered. Logged-in users can associate themselves to a registration as an AO or PC.
Log into Your 340B User Account	If you already have a 340B account or if you create an account and log in as an AO or PC for a CE or manufacturer, you will have access to all of your associated CEs and CPs or labeler codes.

Data Tables

All tabular data displays in the 340B OPAIS can be sorted and filtered to make the data displayed more manageable. Search results tables can also be exported to Microsoft Excel.

Sorting Data Tables

All tables can be sorted to make the data displayed more manageable.

1. The first time you click a column heading, the column will be highlighted and the table will be sorted in ascending order (lowest to highest) based on the values in that column. A small upward-pointing arrow icon will appear in the heading.

3. The third time you click the column heading, the table will be returned to its original sort order and the highlighting and arrow icon will be removed.

Filtering Data Tables

All tables in the 340B OPAIS can be filtered using one or more columns to make the data displayed more manageable.

Filtering Text Columns

1. Type the text you want to use as a filter in the text box below the column heading.
2. Click the funnel-shaped filter icon (▼) and select one of the following:
 - *NoFilter* – Clear existing text and redisplay results.
 - *Contains* – Display only results that *contain* the filter text.
 - *EqualTo* – Display only results that *exactly* match the filter text.
 - *NotEqualTo* – Display only results that *do not* match the filter text.
 - *IsEmpty* – Display only results where the column is empty.
 - *NotIsEmpty* – Display only results where the column is *not* empty.
3. The filtered table will show only those records with text that matches the filter.

Resizing Data Tables

You can change the number of rows displayed per page for any 340B data table.

1. Type the number of rows you want to view per page.
2. Click the **Change** button to resize the data table.

The data table will be resized to display the number of rows you specified.

Note: If you specify a number greater than the total number of rows in the data table, the system will set the page size to match the maximum number of rows.

Page Navigation in Data Tables

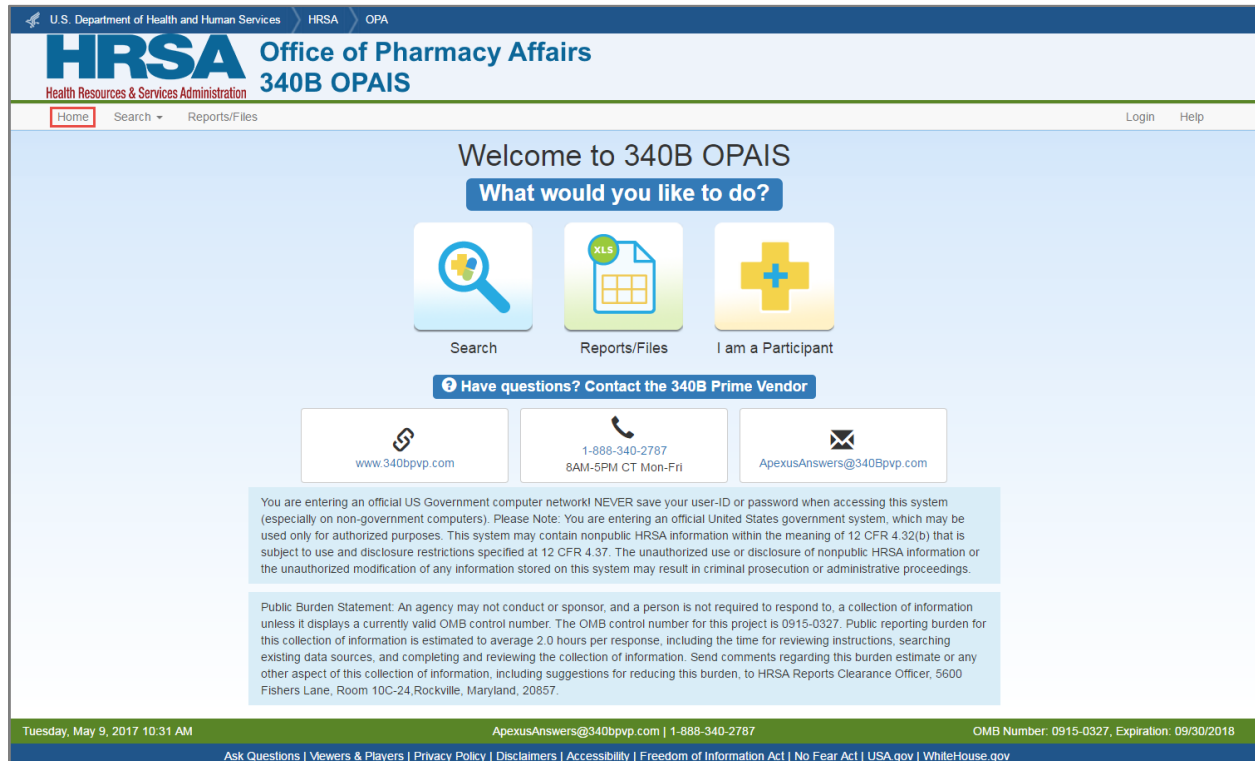

The pagination controls appear above and/or below all data tables. The number of pages is determined by the page size setting.

- The first two buttons let you jump to the first page or to the previous page.
- Clicking a page number (1, 2, 3, etc.) lets you jump to a particular page.
- Clicking the ellipsis (...) button displays the next 10 pages.
- The last two buttons let you jump to the next page or to the last page.
- Typing a page number and clicking the **Go** button lets you jump to a particular page.

340B OPAIS Home Page Guided Tour

The 340B OPAIS Home Page is displayed when you first access the 340B OPAIS. Initially, the only system capabilities available to you are **Search**, **Report/Files**, and **“I am a Participant,”** as well as the ability to create an account. If you are a participant, you may log in to gain access to additional system capabilities.

Keyboard Navigation

When you first access a page in the 340B OPAIS, the focus will be on the URL of the page. As an alternative to pointing and clicking using a mouse:

- Use the **Tab** key to navigate through the items on a page and press the **Enter** key to select an item.
- On the top menu bar, use the arrow keys to select a tab and display its options and the **Enter** key to select an option.

Page Header

The page header appears at the top of the 340B OPAIS home page. It contains links to other HHS sites.

U.S. Department of Health & Human Services	Select this link to go to the HHS home page at http://www.hhs.gov .
HRSA	Select this link to go to the main Health Resources and Services Administration site at http://www.hrsa.gov .
OPA	Select this link to go to the HRSA 340B OPAIS home page at http://www.hrsa.gov/opa/ .

Top Menu

Below the page header is a row of functions you can perform without logging into the 340B OPAIS – **Search, Reports/Files, and Login.**

- The **Search** feature lets you search for active covered entities, contract pharmacies, and manufacturers. Search results can be [sorted](#), [filtered](#), and exported to Microsoft Excel. You can select an entity, pharmacy, or manufacturer to view more detailed information.
- The **Reports/Files** feature lets you download, view, and save system reports in Microsoft Excel format. Available reports include Medicaid Exclusion Files, Contract Pharmacy Carve-Ins, and daily activity reports for CEs and CPs.

“What would you like to do?” Section

If you are not logged into the 340B OPAIS, you will only see the **Search**, **Reports/Files**, and **I am a Participant** icons. These functions duplicate the options available from the top menu.

Search	Search, view, and export Covered Entity, Contract Pharmacy, and Manufacturer information.
Reports/Files	Access and download Medicaid Exclusion Files, Contract Pharmacy Carve-ins, and daily activity reports for covered entities and contract pharmacies. All files are compatible with Microsoft Excel.
I am a Participant	Log into your existing 340B OPAIS account or create a new account.

Banner Messages

A banner message may appear beneath the navigation menu to inform you of important information from the 340B OPAIS System Administrator.

- **Info** messages are displayed in blue text on a blue background.
- **Warning** messages are displayed in brown text on a yellow background.
- **Urgent** messages are displayed in red text on a pink background.

These messages only appear on the home page.

Have Questions?

The “**Have Questions?**” section provides a link to the 340B Prime Vendor Program website, an email link to the 340B Prime Vendor (*Apexus Answers*), and their telephone contact information.

Page Footer

The footer on each web page provides the current date and time, the 340B Prime Vendor Program contact information (email address and phone number) and the Office of Management and Budget (OMB) form control number and its expiration date.

There are additional links to:

- Ask Questions (comments and feedback form)
- Viewers & Players (HHS plug-ins page)
- HHS privacy policy notice
- HHS website disclaimers
- HRSA website accessibility page
- HRSA Freedom of Information Act page
- HRSA No Fear Act page

Creating an Account

You must have a 340B OPAIS user account to initiate registrations or change requests or to respond to annual recertification requests. If you are the Authorizing Official (AO) or Primary Contact (PC) for a participating entity or you need to register a non-participating entity in the 340B Program, you may create an account as follows.

1. From the 340B OPAIS home page, click the **“I am a Participant”** icon or click the **Login** link in the top menu. The 340B login screen is displayed.

2. Click the **Create new account** link. The **Create a New User** email search page is displayed.

3. Type your email address in the space provided and click the **Search** button.

Important: Your email address will be used as your user ID for accessing the 340B OPAIS and as the “to” address for all system-generated emails, including two-step authentication codes needed to log in, password reset messages, pending task notifications, and confirmation of your actions when using the system. It cannot be changed without creating a new user account.

Tip: To ensure that you receive 340B OPAIS email notifications, update your email program’s spam filter to allow *“no-reply@hrsa.gov.”*

4. The **Create a New User** registration page is displayed.
- If your email address is currently associated with an active or approved covered entity or manufacturer record as an AO or PC, your email address, name, title, organization (if available), phone number, and extension will be filled automatically.
 - If your email address has *not* been previously associated with a covered entity or manufacturer, enter your name, title, organization name (employer), phone number, and extension in the spaces provided before proceeding. **All fields are required except middle name/initial and telephone extension.**

Important: Email addresses must be associated with the AO or the PC and must not be associated with an unmonitored or group email account (e.g., *info@CHC.org* or *340B@CHC.org*).

- Your password must be at least eight characters that cannot be easily guessed. It must be a combination of alphanumeric characters containing at least one character from each of the following categories:
- English uppercase characters (A-Z)
 - English lowercase characters (a-z)
 - Numerical digits (0-9)
 - Special characters (e.g., @, !, \$, %)
7. Type the CAPTCHA code displayed in the image in the text box.
8. Click the **Register** button.

9. The system will check for an existing account associated with your email address.

Note: Only one account may be associated with an email address. If your email address has already been used to create an account, the system will display an error notification with a link to the 340B OPAIS home page.

10. If your account request is valid, the system will:

- Activate your account and associate it with any entity registrations in which your email is used as a contact
- Add any assigned tasks to your work queue
- Send a “*New Account Confirmation*” notification to the email address you used to create your account
- Display a message that your account was created successfully with a **Return to Login** button

11. Click the **Return to Login** button to go to the login page.

12. Log into the 340B OPAIS using your email address and the password you just created.

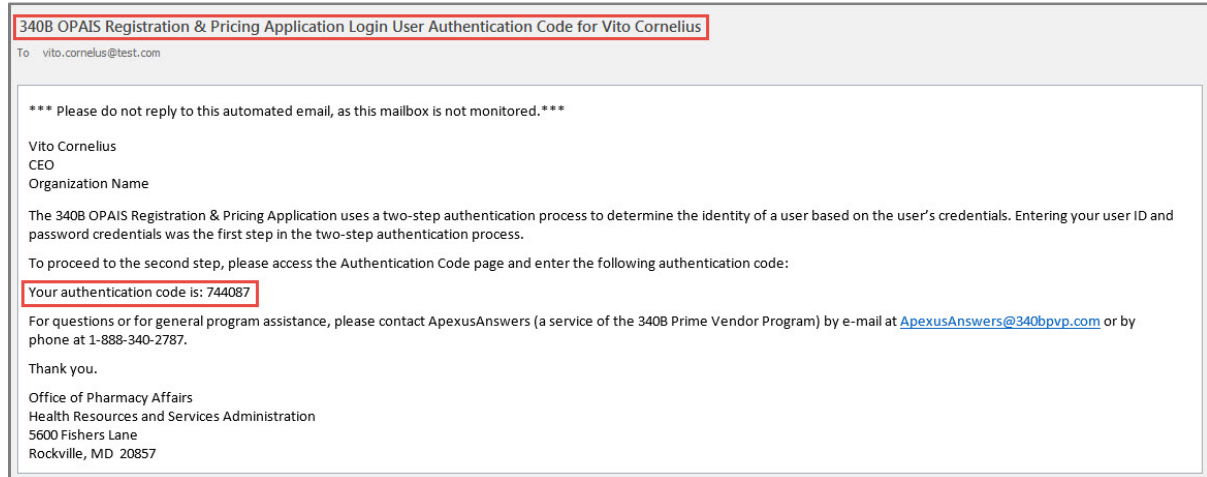

Logging into Your Account

1. The login page is displayed when you click the **Login** option in the top menu of the 340B OPAIS home page or if you click the **“I am a Participant”** icon.

2. Type your email address and password in the spaces provided and click the **Sign In** button.
3. If your login credentials are correct and you have an active account, the system will display the **Two-Step Authentication** page and send an email containing a six-digit authorization code to the email address you used as your user name.

4. Check your email for an email with the subject line “340B OPAIS Registration & Pricing Application Login User Authentication Code for [your name].” Copy the authentication code from the e-mail, paste it in the **Code** text box on the Two-Step Authentication page, and click the **Submit Code** button.

Example of the Authentication Code Email

- The 340B OPAIS will generate a new authentication code and send it to you via email every time you log in. The code is only valid for limited time, as configured by the OPA system administrator. A code from a previous session may not be used.
- The system will count incorrect entry of the authentication code as a failed login attempt.
- If the system detects five failed login attempts within 5 minutes, your account will be locked for 15 minutes.

5. The system will prompt you to agree to the 340B OPAIS Rules of Behavior.

The first time you log in after creating an account, the long-form version of the Rules of Behavior will be displayed.

The system will send an “*Account Locked Out*” email advising you to wait for 15 minutes before attempting to log in.

Expired Session

Your 340B OPAIS session will time out after 30 minutes of inactivity. You will receive a warning message that your session is about to expire. Click the **OK** button to continue with your current session.

When your session expires, a pop-up window will display, directing you to click the **Home Page** link to return to the home page.

Searching

The 340B OPAIS includes a comprehensive search engine for covered entities, contract pharmacies, and manufacturers that allows you to view their information and export their data to a Microsoft Excel spreadsheet.

Note: You do not need to be logged into the 340B OPAIS to perform searches.

Select the type of search you want to perform (Covered Entities, Contract Pharmacies, or Manufacturers) in either of the following ways.

1. From the **Search** drop-down menu at the top of the page
2. By clicking the **Search** icon and then selecting the type of search when the Search page displays.

3. The **Search Criteria** page is displayed for the type of search you want to perform.

Search Tips

Speeding up Your Searches

- Entering only partial names in the search criteria will return all records with a matching sequence of characters. For example, if you enter **East**, the search results will include all facilities with those characters, such as Eastern Hospital, Southeast Center, etc., in the entity name, subdivision name, address, or city.
- Typing the first letter of a state name jumps to the first state that begins with that letter. If that is not the state you want, press the letter again to go to the next state that begins with that letter.
- To select multiple states, hold the **[CTRL]** key as you highlight each state.
- To select a range of states, highlight the first state at the beginning of the range and hold the **[Shift]** key while selecting the last state in the range. All states in between will be selected.

Searching for Covered Entities

The **Search Criteria** page displays when you select **Search Covered Entities**. Search criteria can be selected individually or in combination to allow you to narrow your search results to a manageable number of entities.

The screenshot shows the 'Search Criteria' page with the following fields and options:

- Keyword:** Text input field with placeholder 'Enter the text to search'. Below it, a note states: 'Searches the following fields: Name, SubName, 340B ID, Site ID, MPN, Grant Number, Address Line 1, Address Line 2, City.'
- Entity Type:** Drop-down menu.
- Entity Classification:** Drop-down menu with 'All' selected.
- Grant/Provider Number:** Text input field. Below it, a note states: 'Searches both Medicare Provider Number and Grant Number fields.'
- 340B ID:** Text input field.
- Entity Name:** Text input field.
- Alternative Method:** Drop-down menu with 'All' selected.
- Site ID:** Text input field.
- City:** Text input field.
- Advanced Query Options:** Drop-down menu with 'Entities To Be Added This Quarter' selected. Below it, a note states: 'Populates Start or Termination Date fields with quarterly dates.'
- Participating:** Drop-down menu with 'All' selected. Below it, a note states: 'Select All or No to include entities with a future start date in the search results.'
- State:** Drop-down menu with a list of states: All, Alaska, Alabama, Arkansas, American Samoa, Arizona, California.
- Zip:** Text input field.
- Start Date:** Two date pickers. The first is set to 4/2/2016 and the second to 6/30/2016.
- Termination Date:** Two date pickers, both set to 'From'.
- Edit Date:** Two date pickers, both set to 'From'.
- Registration Date:** Two date pickers, both set to 'From'.

At the bottom of the form are buttons for 'Clear', 'Search', 'Hide Search Criteria', and 'Export Search Results'.

Keyword	Type all or part of the text for which you want to search. The search results will display all entities that contain that text string in any of the Name, Sub Name, 340B ID, Site ID, MPN, Grant Number, Address Line 1, Address Line 2, or City fields.
340B ID	Display only the specified entity and any child entities.
City / State / Zip	Display only entities in the specified location.
Entity Type	Display only entities of the type selected from the drop-down list.
Entity Name	Display only entities with a matching sequence of characters.
Advanced Query Options	Restrict search to entities to be added or terminated this quarter or next quarter. Selection of one of the following options automatically populates the appropriate quarterly start and end dates and deactivates the other date fields: Entities To Be Added This Quarter Entities To Be Added Next Quarter Entities To Be Terminated This Quarter Entities To Be Terminated Next Quarter
Start Date (from/to)	Automatically populated for the current or next quarter when you select either <i>Entities To Be Added...</i> option (can also be edited manually).
Termination Date (from/to)	Automatically populated for the current or next quarter when you select either <i>Entities To Be Terminated...</i> option (can also be edited manually).
Entity Classification	All – all covered entities (default) Hospitals – hospitals only Non-Hospitals – non-hospitals only

Grant / Provider Number	Narrow your search to a specific entity or grant. For hospitals, entering the Medicare Provider Number (MPN) will display the parent hospital and all of its outpatient facilities.
Alternative Method	Display only entities that participate in a HRSA-approved Alternative Method Demonstration Project (AMDP).
Site ID	Display only specific Consolidated Health Center (CH) and Federally Qualified Health Center Look-alike (FQHCLA) sites.
Participating	<p>Yes – display only active participating covered entities and active entities that are scheduled to be terminated.</p> <p>All – display active entities, approved entities with a future start date, and active entities that are scheduled to be terminated, and terminated entities.</p> <p>No – display only terminated entities and approved entities with a future participation date.</p>
Edit Date (from/to)	Display only entities edited during the specified date range.
Registration Date (from/to)	Display only entities registered during the specified date range.
Clear	Clear your filter choices and specify a new set of filters.
Search	Display covered entities that match your specified filter criteria, initially sorted by 340B ID.

Viewing Covered Entity Search Results

After generating a list of covered entities that match your search criteria, you can specify how you want to view them. Search results are initially sorted by 340B ID.

Viewing Covered Entity Details

When you click an entity's 340B ID in the search results table, the entity's details are displayed, including:

- Name, type, 340B ID, and Medicare Provider Number
- Current 340B status, registration date, participation start and approval dates and most-recent recertification date, as well as termination reason and date for terminated and to-be-terminated entities
- Authorizing Official and Primary Contact information
- Street and billing addresses

The entity's status is also reflected by the color of the page header:

- Active (green)
- Approved (green)
- ToBeTerminated (yellow)
- Terminated (red)

Note: "Approved" status indicates the registration has been approved by OPA but its start date is in the future.

Exporting Covered Search Results

After generating a list of covered entities that match your search criteria and sorting and filtering the data, you can export the entity data to a Microsoft Excel spreadsheet.

The screenshot shows a search results table with the following columns: 340B ID, Entity Type, Entity Name, Sub Name, Address, City, State, Start Date, Term Date, and Edit Date. The table contains several rows of data, including Southeast Alabama Medical Center and Marshall Medical Center - South. A red box highlights the 'Export Selected' and 'Export All' buttons at the top. A red arrow points to a checkbox in the table header with the text 'Check box to select all entities on the current page.' Another red arrow points to a checkbox in the first row with the text 'Check individual boxes to select only those entities.'

Export Individual Covered Entities

1. Select the checkboxes for individual covered entities. The selected rows will be highlighted. You may select entities from multiple pages.
2. Click the **Export Selected** button. The **Covered Entity Export Options** page will be displayed.

Export All Covered Entities on the Current Page

1. Select the checkbox in the table header. All rows on the current page will be highlighted.
2. Click the **Export Selected** button. The **Covered Entity Export Options** page will be displayed.

Export All Covered Entity Search Results

1. Click the **Export All** button. The **Covered Entity Export Options** page will be displayed.

Covered Entity Export Options

This page enables you to specify only the data you want to include in the exported spreadsheet.

1. Check the boxes in each section to select the data to be exported.
 - Check the **Select/Deselect All** box if you want all the data listed on the page to appear on the spreadsheet. Uncheck a box to deselect data.
 - Check the box next to a section heading to export all data in that section.
 - Check individual boxes to select only specific items for export.

2. When finished selecting data for export, click the **Export** button.
3. A progress window is displayed while the export is being prepared. Click the **Cancel** button if you want to cancel the export before it finishes.

- A message window displays when the export is completed and your browser will display a dialog box to prompt you to open the file or save it for later. If you chose to open it, the exported data is displayed in a Microsoft Excel spreadsheet.

- Click the **Download** button if you need to download the file again.
- Click the **Cancel** button to cancel the download and return to the search results page.
- Click the **Return to Search Page** button to return to your search results page.

Searching for Contract Pharmacies

The **Contract Pharmacy Search Criteria** page displays when you select **Search Contract Pharmacies** on the 340B OPAIS home page. Search criteria can be selected individually or in combination to allow you to narrow your search results to a manageable number of records. Covered entity search filters are on the left side of the page, CP filters are in the middle, and date filters are on the right.

340B ID	Return CP relationships associated with a specific 340B ID.
Entity Name	Return CP relationships associated with CE records whose name includes the specified sequence of characters.
Entity City / State / Zip	Return CP relationships associated with covered entity records.
Pharmacy Name	Return CP relationships associated with only pharmacies whose name includes the specified sequence of characters.
Pharmacy City / State / Zip	Return CP relationships associated with only pharmacies in the specified location.
Advanced Query Options	Restrict search to CP relationships added or terminated this quarter or next. Selection auto-populates the appropriate quarterly start and end dates and deactivates the other date fields. Contracts Added This/Next Quarter – Populates the Begin Date From/To dates for the current or next quarter. Contracts Terminated This/Next Quarter – Populates the Term Date From/To dates for the current or next quarter.
Begin Date From/To	Populated with dates for the current quarter or for the next quarter if either Contracts Added... option is selected (can be edited manually).
Termination Date From / To	Populated with dates for the current quarter or for the next quarter if either Contracts Terminated... option is selected (can be edited manually).
Edit Date	Select the beginning and end dates for the period when the contract information was edited.

Carve-In Date From / To	Select the beginning and end dates for the period when the associated covered entity has a HRSA-approved arrangement with the listed contract pharmacy and the respective state Medicaid agency to prevent duplicate discounts.
Search Carve-Ins	If selected, return only covered entities that have a HRSA-approved arrangement with a CP and the respective Medicaid agency to prevent duplicate discounts.
Clear	Clear your filter choices and specify a new set of filters.
Search	Display contract pharmacies that match your specified filter criteria, initially sorted by 340B ID.

Labeler Code	The search will return only the Food and Drug Administration (FDA)-assigned labeler codes that match the sequence of digits specified.
Status	Locate labeler codes that are active, inactive, or both.
Contact Name	Return only labeler codes associated with the specified contact name.
Manufacturer Name	Return only manufacturers with a matching sequence of characters.
City / State / Zip	Return only manufacturers in the specified location.
Signed Date (From/To)	Return labeler codes that were approved for participation in the 340B Program during the specified date range.
Edit Date (From/To)	Return labeler codes whose records were edited during the specified date range.
OPA Termination Date (From/To)	Return labeler codes terminated from the 340B Program during the specified date range.
CMS Termination Date (From/To)	Return labeler codes terminated from the CMS Medicaid Drug Rebate Program during the specified date range.
Clear	Clear your filter choices and specify a new set of filters.
Search	Display manufacturers that match your specified filter criteria.

Viewing Manufacturer Search Results

After generating a list of manufacturers that match your search criteria, you can specify how you want to view them. Manufacturers that have not been approved by OPA for participation in the 340B program will not appear in search results, even if they have submitted registration documentation. Manufacturer search results are initially sorted by labeler code.

Viewing Labeler Code Details

When you click a labeler code in the search results table, the **Labeler Code Details** page displays the information for the manufacturer associated with the labeler code, including:

- Comments and last updated date, if applicable
- Name, title, and contact information of the AO, PC, and the manufacturer's PPA Signing Official and Addendum Signing Official
- Current status
- PPA Signed Date, HRSA co-signed date, and Addendum Signed Date
- OPA and CMS termination dates, if applicable

The labeler code's status is also reflected by the color of the page header:

- Active (green)
- Inactive (green) – terminated in CMS but active in 340B
- Terminated (red) – terminated in both CMS and in 340B

Reports/Files

To view the **Reports/Files** page, click **Reports/Files** in the “*What Would You Like to Do?*” section or click the **Reports/Files** tab on the menu bar of the 340B OPAIS Home Page.

The **Reports/Files** page lists all the reports available to you. Click on a link to access the report.

Medicaid Exclusion Files

The **Medicaid Exclusion Files** (MEF) list covered entities that have chosen to use 340B drugs for their Medicaid patients and to bill Medicaid for those drugs (carve-in). When covered entities choose to carve-in for Medicaid, they must provide the OPA with the Medicaid Provider Number/NPI used to bill Medicaid. These provider identifiers are listed in the MEF. Having this information in the MEF indicates to the states and manufacturers which drugs are not subject to Medicaid rebates, and helps ensure the prevention of duplicate discounts, as prohibited by statute.

The MEF also lists the Medicaid provider numbers and/or NPIs that the entities have identified as being used to bill for those drugs, to assist state Medicaid agencies in separating rebate-eligible claims from those that would result in duplicate discounts if rebates were requested. Entities must be consistent with their Medicaid billing carve-in/out decisions. For entities that decide to carve-in, all drugs billed to Medicaid using the listed number/NPI must be purchased under the 340B program. Entities that DO NOT use 340B drugs for Medicaid patients (carve-out) must ensure that all drugs billed to Medicaid (under any provider number/NPI) were NOT purchased at 340B prices.

The 340B OPAIS takes a snapshot of carve-in decisions at 12:01am ET on the 15th day of the month prior to the start of each quarter, regardless of weekends or holidays. At any time, covered entities may submit online change request forms to modify their Medicaid billing decisions, but changes only take effect the following quarter and only when received, approved, and processed by OPA before the time of the snapshot for that quarter. For example, a change submitted on June 1 and approved on June 2 will be reflected in the June 15 snapshot governing the July–September quarter. A change submitted on June 14 but not approved until June 16 will not be reflected in the June 15 snapshot, but will be included in the snapshot for the October quarterly MEF. The prior decision will remain in effect until the quarter beginning October 1.

HRSA generally does not make retroactive changes to the quarterly MEF once it is published. On rare occasions, a technical system issue may warrant an immediate modification. If retroactive changes are necessary, HRSA will communicate this to the 340B Program stakeholders.

Follow these steps to download and view the **Medicaid Exclusion Files**.

1. On the Reports/Files page, click the Medicaid Exclusion Files button.

The **Download Medicaid Exclusion File** page displays a warning for covered entities that might claim duplicate drug price discounts, explains a requirement that entities must decide whether or not to use 340B pricing and bill Medicaid, and describes how drug manufacturers and wholesalers, and state Medicaid agencies can use the Medicaid Exclusion File to 340B participants.

Download Medicaid Exclusion File

42 USC 256b(a)(5)(A)(i) prohibits duplicate discounts; that is, manufacturers are not required to provide a discounted 340B price and a Medicaid drug rebate for the same drug. Covered entities must have mechanisms in place to prevent duplicate discounts.

All covered entities that use 340B and bill Medicaid must determine whether they will use 340B drugs for their Medicaid patients (carve-in) or whether they will purchase drugs for their Medicaid patients through other mechanisms (carve-out). Covered entities that carve-in are required to inform HRSA of their decision by providing their Medicaid provider number/NPI and the state that is billed with that provider identifier.

When covered entities decide to bill Medicaid for drugs purchased under 340B with a given Medicaid provider number/NPI (carve-in), then ALL drugs billed to Medicaid with that number/NPI must be purchased under 340B and that number/NPI must be listed in the 340B Program database and the MEF. For covered entities that opt to purchase Medicaid drugs outside of the 340B Program (carve-out), ALL drugs billed under the applicable Medicaid provider number/NPI must be purchased outside the 340B Program and that Medicaid provider number/NPI should not be listed on the 340B Program database or the MEF. For every individual entity site that chooses to carve-in Medicaid, the appropriate Medicaid provider number or NPI and the associated state should be listed on the MEF.

The files available below allow drug manufacturers/wholesalers and state Medicaid agencies to identify organizations that have chosen to carve-in for a given calendar quarter. The 340B database takes a snapshot of carve-in decisions at 11:59pm ET on the 15th day of the month prior to the start of each quarter, irrespective of weekends or holidays. The "start date" indicates the first date the entity began participating in the 340B Program; the "term date" is the effective date the entity no longer participates in the 340B Program.

A change to the Medicaid Exclusion File may be requested at any time, but changes do not take effect until the first day of the following quarter and only if approved by OPA before the time it takes the quarterly snapshot of carve-in/carve-out decisions. The files contain all entities that had at least one Medicaid provider number/NPI registered with OPA as of the snapshot for each quarter, along with program start and termination dates for those entities.

2. Select the desired quarter from the drop-down list. This date range reflects the effective quarter of the covered entities' Medicaid billing carve-in decision.
3. Click the **Download** button. A dialog box will prompt you to open the file or save it for later. If you choose to open it, the **Medicaid Exclusion File** is displayed in a Microsoft Excel spreadsheet.
 - The "start date" field represents the first date the covered entity began participating in the 340B Program; the "term date" represents the effective date the entity no longer participates in the 340B Program, if applicable. These dates *do not* relate to the covered entities' MEF determination to carve-in Medicaid.
 - The "Medicaid State" field identifies the state that is billed with the Medicaid Provider Number listed in the MEF. The "State" field simply lists the state jurisdiction where the covered entity is located.

Contract Pharmacy Carve-ins

The **Contract Pharmacy Carve-ins** lists covered entities that have informed OPA of an arrangement with the listed contract pharmacy and respective state Medicaid agency to prevent duplicate discounts.

Follow these steps to view the Contract Pharmacy Carve-ins arrangements.

1. On the **Reports/Files** page, click the **Contract Pharmacy Carve-ins** button.
2. The **Contract Pharmacy Search Criteria** page is displayed with the “Search Carve-Ins” checkbox selected by default. If no other search criteria are specified, this will produce an unfiltered report of all covered entities with carve-ins.

3. To narrow your search to a specific date range, specify the “From” and/or “To” dates to search only for contracts with carve-ins that have an effective date within that range. You can specify other criteria (e.g., state) to further narrow your search.
4. When finished, click the **Search** button to initiate your search. The **Search Results** page displays a list of contract pharmacies that match your search criteria. You have the option of exporting all or some of the results to a Microsoft Excel spreadsheet.

Glossary of Terms

Term	Definition
340B ID	A unique identification number assigned by OPA to each 340B covered entity and their affiliated sites (e.g., child site, subdivision or sub-grantees).
340B Office of Pharmacy Affairs Information System (OPAIS)	Entities, contract pharmacies, and manufacturers submit information to HRSA’s OPA to include in the 340B OPAIS. HRSA verifies this information and incorporates it into the application as appropriate.
340B Prime Vendor Program (PVP)	<p>Section 340B(a)(8) of the Public Health Service Act requires the establishment of a prime vendor program (PVP). The purpose of the PVP is to develop, maintain and coordinate a program capable of distribution, facilitation and other activities in support of the 340B Program. The PVP is a voluntary program for 340B covered entities and serves its participants in three primary roles:</p> <ol style="list-style-type: none"> 1. Negotiating sub-340B pricing on pharmaceuticals; 2. Establishing distribution solutions and networks that improve access to affordable medications; and 3. Providing other value-added products and service. <p>All covered entities may participate in the PVP, including hospitals that are prohibited from purchasing in a group purchasing arrangement.</p>
340B Program	The federal drug discount program established by Congress under the Veterans Health Care Act of 1992 (Public Law 102-585) and authorized under section 340B of the Public Health Service Act (42 USC § 256b). The 340B Program enables drug manufacturers to enter into pharmaceutical pricing agreements with the Secretary of HHS, under which manufacturers agree not to sell covered outpatient drugs to covered entities at a price that does not exceed the statutorily defined 340B ceiling price.
Alternative Method	Indicates that the entity participates in a HRSA-approved Alternative Method Demonstration Project (AMDP) to operate programs or enter into agreements with other covered entities that would otherwise not be allowed under 304B guidelines. For example, a covered entity is prohibited from dispensing 340B drugs to the patients of a different covered entity, even if the two entities are part of the same system or network, unless the entities have an approved AMDP authorizing such practices. These demonstration projects are limited to six years and are intended to test new methods of participating in the 340B program to improve access to 340B covered outpatient drugs.
Authorizing Official (AO)	An external user for a covered entity or manufacturer who is able to attest to any changes to an entity.
Billing Address	An address verified as belonging to the covered entity that is used for billing purposes. A billing address is not required to be a physical address; it can be a P.O. box or other mailing address.

Term	Definition
Black Lung Clinics Program (BL)	One of the categories of non-hospital covered entities that are eligible to participate in the 340B Program. Black lung clinics receive funding from the HRSA Black Lung Clinic Program to seek out coal miners, whether they are currently involved in mining or not, and provide services to them and their families, regardless of their ability to pay. Services may be provided either directly by grantees or through formal arrangements with appropriate health care providers, such as Federally Qualified Health Centers, hospitals, state health departments, mobile vans and clinics. The Black Lung Clinic Program is authorized by Section 427(a) of the Black Lung Benefits Act (30 USCS§901).
CAPTCHA	An acronym for "Completely Automated Public Turing test to tell Computers and Humans Apart"), a type of challenge-response test used in computing to determine whether or not the user is human.
Carve-In	<p>Section 340b(a)(5)(A)(i) of the Public Health Service Act prohibits duplicate discounts; that is, manufacturers are not required to provide a discounted 340B price and a Medicaid drug rebate for the same drug. Covered entities must have mechanisms in place to prevent duplicate discounts. Carving-in describes a covered entity's decision to use 340B drugs for its Medicaid patients.</p> <p>Upon enrollment in the 340B Program, covered entities that decide to carve-in must provide their Medicaid provider number or National Provider Identifier (NPI) at the time they enroll. OPA lists this information in a Medicaid Exclusion File posted on its website. Having this information in the file indicates to the states and manufacturers which drugs are not subject to Medicaid rebates, and helps ensure the prevention of duplicate discounts, as prohibited by statute. Covered entities are required to ensure that information in the file is accurate each quarter and at the time of annual recertification.</p>
Carve-Out	Section 340b(a)(5)(A)(i) of the Public Health Service Act prohibits duplicate discounts; that is, manufacturers are not required to provide a discounted 340B price and a Medicaid drug rebate for the same drug. Covered entities must have mechanisms in place to prevent duplicate discounts. Carving-out describes a covered entity's decision to not use 340B drugs for any of its Medicaid patients. For covered entities that opt to carve-out, ALL drugs billed under that Medicaid provider number/NPI must be purchased outside the 340B Program, and that Medicaid provider number/NPI should not be listed in the HRSA Medicaid Exclusion File.
Centers for Medicare and Medicaid Services (CMS)	The federal agency within the Department of Health and Human Services (HHS) that administers the Medicare and Medicaid programs, including the Medicaid Drug Rebate Program.

Term	Definition
Child Site	A hospital clinic/department/offsite facility that is eligible to participate in the 340B Program because it is an integral part of a hospital that participates in the program, as evidenced by the fact that it is reimbursable on the hospital's Medicare cost report. OPA requires that a covered entity register as child sites all offsite clinics, departments, and services where 340B drugs are purchased or used, regardless of whether they are in the same building. Offsite generally means a location has a separate physical address than the hospital parent site and is not located within the main hospital. A hospital does not need to register outpatient clinics, departments, or services located within the entity's main hospital but may do so if they appear on a reimbursable line of a hospital's most recently filed cost report.
Children's Hospital (PED)	One of the categories of hospitals that are eligible to participate in the 340B Program. Nonprofit hospitals that serve individuals through the age of 18 years of age and have a CMS-issued 3300 Series Medicare Provider Number to designate them as Medicare certified children's hospitals. Children's hospitals must meet certain requirements, including a DSH adjustment percentage greater than 11.75% and compliance with the GPO Prohibition, to be eligible to participate in the 340B program.
Comprehensive Hemophilia Treatment Center (HTC)	<p>One of the categories of non-hospital covered entities that are eligible to participate in the 340B Program. Hemophilia Treatment Centers (HTC) that receive HRSA grant funding are expected to provide optimal care using a multi-disciplinary team approach that provides accessible, family-centered, continuous, comprehensive, coordinated, and culturally effective care for individuals with hemophilia and other bleeding disorders. The program is authorized under section 501(a)(2) of the Social Security Act.</p> <p>Note: Non-hospital CE's of this type are identified by the prefix "HM" in the 340B ID.</p>
Consolidated Health Center Program (CH)	Combines Community Health Centers, School Based Programs, Health Care for the Homeless Programs, Migrant Health Programs, and Public Housing Primary Care Programs entity types.
Contract Pharmacy (CP)	A pharmacy that enters into an agreement with a covered entity to provide services to the covered entity's patients, including dispensing entity-owned 340B drugs. Contract pharmacies must register for the 340B Program and be listed on the 340B OPAIS prior to dispensing 340B drugs on a covered entity's behalf. In addition, a contract pharmacy must have a written, signed contract pharmacy agreement in place with the covered entity prior to registering that pharmacy with the 340B Program. HRSA recommends that the written agreement include all essential elements of the contract pharmacy guidelines (75 Fed. Reg. 10272 (March 5, 2010)). Failure to have the contract pharmacy correctly listed in the 340B OPAIS may be cause for removal of the contract pharmacy from the 340B Program.

Term	Definition
Covered Entity (CE)	Section 340B(a)(4) of the Public Health Service Act specifies which covered entities are eligible to participate in the 340B Drug Program. These include qualifying hospitals, Federal grantees from HRSA, the Centers for Disease Control and Prevention (CDC), the Department of Health and Human Services’ Office of Population Affairs, and the Indian Health Service. Covered entities include six categories of hospitals and 11 categories of non-hospitals.
Critical Access Hospital (CAH)	Critical Access Hospitals are designated by the Centers for Medicare and Medicaid Services. The defining legislation is Section 1820(c)(2) of the Social Security Act. To be eligible to participate in the 340B Drug Pricing Program, Critical Access Hospitals must meet the requirements of section 340B(a)(4)(L)(i) of the Public Health Service Act.
Disproportionate Share Hospital (DSH)	One of the categories of hospitals that are eligible to participate in the 340B Program. Disproportionate Share Hospitals serve a significantly disproportionate number of low-income patients and receive payments from the Centers for Medicaid and Medicare Services to cover the costs of providing care to uninsured patients. Disproportionate share hospitals are defined in Section 1886(d)(1)(B) of the Social Security Act. To be eligible to participate in the 340B Program, disproportionate share hospitals must meet the requirements of section 340B(a)(4)(L) of the Public Health Service Act.
Duplicate Discount	Section 340B(a)(5)(A)(i) of the Public Health Service Act prohibits duplicate discounts; that is, manufacturers are not required to provide a discounted 340B price and a Medicaid drug rebate for the same drug. Covered entities must have mechanisms in place to prevent duplicate discounts. Upon enrollment in the 340B Program, covered entities must determine whether they will use 340B drugs for their Medicaid patients (carve-in) or whether they will purchase drugs for their Medicaid patients through other mechanisms (carve-out) in order to comply with the duplicate discount prohibition.
Edit Date	The 340B OPAIS uses the term “edit date” to denote the date that a 340B entity’s information was edited. Edits can occur at any time.
External User	Non-HRSA user who has created an account. External users may or may not have any associations with a covered entity or a manufacturer. External users must follow a two-step authentication process to log into the system.
Family Planning – Title X (FP)	One of the categories of non-hospitals that are eligible to participate in the 340B Program. Title X family planning clinics receive funding from the Title X Family Planning Program to provide contraceptive services, counseling, and reproductive health-related preventive services, with priority given to low-income people. Title X family planning clinics must apply for the 340B program through their grantee organization. Title V (state-funded) family planning clinics are not eligible for the 340B program.

Term	Definition
Federally Qualified Health Center	<p>One of the categories of non-hospitals that are eligible to participate in the 340B Program. Federally Qualified Health Centers are community-based health care providers that receive funds from the HRSA Health Center Program to provide primary care services in underserved areas. They must meet a stringent set of requirements, including providing care on a sliding fee scale based on ability to pay and operating under a governing board that includes patients.</p> <p>Federally Qualified Health Centers may be Community Health Centers, Migrant Health Centers, Health Care for the Homeless, and Health Centers for Residents of Public Housing.</p>
Federally Qualified Health Center Look-Alike (FQHCLA)	<p>One of the categories of non-hospital covered entities that participate in the 340B program. FQHC look-alikes are community-based health care providers that meet the requirements of the HRSA Health Center Program but do not receive Health Center Program funding.</p>
Free Standing Cancer Hospital (CAN)	<p>One of the categories of hospital covered entities that are eligible to participate in the 340B Program. Freestanding Cancer Hospitals are independent, non-profit hospitals that treat patients with cancer. For-profit hospitals are not eligible to participate in the 340B program.</p> <p>To be eligible to participate in the 340B Drug Pricing Program, Freestanding Cancer Hospitals must either:</p> <ul style="list-style-type: none"> Have a disproportionate share adjustment percentage greater than 11.75% for the most-recently filed cost report; or Be eligible under a separate indigent care calculation that meets specific criteria including location in an urban area, 100 or more beds and net inpatient care revenues (excluding Medicare) for indigent care of more than 30% of net during the cost reporting period in which the discharges occur. This indigent care revenue must come from state and local government sources and Medicaid.
Health Insurance Portability and Accountability Act (HIPAA)	<p>A U.S. law designed to provide privacy standards to protect patients' medical records and other health information provided to health plans, doctors, hospitals, and other health care providers.</p>
Health Resources and Services Administration (HRSA)	<p>An agency within HHS, HRSA is the primary federal agency for improving access to health care services for people who are uninsured, isolated, or medically vulnerable. The Office of Pharmacy Affairs (OPA), the office responsible for administering the 340B program, falls under the Healthcare Systems Bureau within HRSA.</p>
Hospital Classification	<p>Owned or Operated by State or Local Government Private, Non-Profit Hospital with State/Local Govt. Contract Public or Private Non-Profit Hospital Granted Governmental Powers Ineligible For-Profit Organization</p>
In-house Pharmacy	<p>A pharmacy that is owned by and is a legal part of a 340B covered entity. Typically, in-house pharmacies are listed as shipping addresses of the entity and the entity owns the pharmacy license.</p>

Term	Definition
Manufacturer (MFR)	<p>The term "Manufacturer" has the meaning as set forth in section 1927(k)(5) of the Social Security Act and includes all entities engaged in:</p> <ol style="list-style-type: none"> 1. The production, preparation, propagation, compounding, conversion, or processing of prescription drug products, either directly or indirectly by extraction from substances of natural origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis; or 2. The packaging, repackaging, labeling, relabeling, or distribution of prescription drug products. A manufacturer must hold legal title to or possession of the NDC number for the covered outpatient drug. Such term does not include a wholesale distributor of drugs or a retail pharmacy licensed under state law. <p>"Manufacturer" includes entities, described in (1) or (2) above, that sell outpatient drugs to covered entities, whether or not the manufacturer participates in the Medicaid rebate program.</p>
Medicaid Exclusion File	<p>The Medicaid Exclusion File (MEF) lists covered entities that have decided to use 340B drugs for their Medicaid patients and to bill Medicaid for those drugs (carve-in). When covered entities choose to carve-in for Medicaid, they must provide the HRSA Office of Pharmacy Affairs with the Medicaid Provider Number/NPI used to bill Medicaid. These provider identifiers are listed in the MEF. Having this information in the MEF indicates to the states and manufacturers which drugs are not subject to Medicaid rebates, and helps ensure the prevention of duplicate discounts, as prohibited by the 340B statute. Covered entities are required to ensure that information in the MEF is accurate each quarter and at the time of annual recertification.</p>
Medicare Provider Number (MPN)	<p>The identification number of an institutional provider certified by the Centers for Medicare and Medicaid Services (CMS) to provide services to beneficiaries.</p>
National Provider Identifier (NPI)	<p>A unique 10-digit identification number for covered health care providers. Health care providers, all health plans, and health care clearinghouses use the NPIs in the administrative and financial transactions adopted under HIPAA.</p>
Native Hawaiian Health Centers (NH)	<p>Non-hospital covered entities that participate in the 340B program and receive Native Hawaiian Health Care Systems Program funding through the HRSA Health Center Program to provide medical and enabling services to Native Hawaiians.</p>
Office of Pharmacy Affairs (OPA)	<p>The HRSA office responsible for administering the 340B program.</p>

Term	Definition
Parent Entity	The main hospital facility of a covered entity that is eligible to use 340B drugs by virtue of enrollment in the 340B program. In contrast, hospital outpatient clinics/departments/services that have a different street address than the entity’s main facility and are located outside the four walls of the main hospital, which are commonly called “child sites,” must be separately registered with OPA before they can begin using 340B drugs.
Participant	A registered entity or facility in the 340B program.
Password Reset	Changing of a password due to an expired or forgotten password at login.
Primary Contact (PC)	External user who is designated as a Primary Contact for an entity. This user can enter registrations and update entity information. This user can enter registrations, and update entity information. Any changes to an entity performed by the PC user must be attested to by the AO for that entity.
Public User	A user who either does not have an account or is not logged in for a covered Entity.
Reinstatement	The process by which a previously terminated 340B ID can be registered in the Program.
Rural Referral Center (RRC)	One of the categories of hospital covered entities that are eligible to participate in the 340B Program. Rural Referral Centers are high-volume acute-care rural hospitals that treat a large number of complicated cases. Hospitals classified as Rural Referral Centers may be eligible to participate in the 340B Drug Pricing Program if they have a disproportionate share adjustment percentage equal to or greater than 8 percent for the most recently filed Medicare cost report and meet the requirements of section 340B(a)(4)(L)(i) of the Public Health Service Act.
Ryan White Program Grantees	One of the categories of non-hospital covered entities that receive federal funding to provide HIV/AIDS treatment and related services to people living with HIV/AIDS who are uninsured or under-insured. In addition, the funding is used for technical assistance, clinical training, and the development of innovative models of care. The Ryan White HIV/AIDS Program is authorized by Title XXVI of the Public Health Service Act.
Sexually Transmitted Diseases (STD) Clinic	One of the categories of non -hospital covered entities that diagnose and treat sexually transmitted diseases and receive funding from their state and local health departments through the Sexually Transmitted Disease Control Program administered by the Centers for Disease Control and Prevention. STD clinics must apply for the 340B program through their state program director.

Term	Definition
Shipping Address	An address authorized to receive 340B drugs on behalf of a covered entity parent or child site and registered as such on the 340B OPAIS. Because pharmacies are not permitted to be registered as covered entity sites, they may be listed as shipping addresses of the parent entity or a registered outpatient child site, depending on the locations served by the pharmacy. When registering a new covered entity or a new outpatient facility online, the entity has a choice of listing shipping addresses under either the main entity’s registration or the offsite facility’s registration. Listing shipping addresses permits all parties to know where 340B drugs may be delivered by the manufacturer and wholesaler. Pharmacies that support multiple outpatient facilities should be listed as shipping addresses under the parent entity.
Site ID	Only required when certifying covered entity types for Consolidated Health Center Program (CH) and Federally Qualified Health Center Look Alike (FQHCLA).
Sole Community Hospital (SCH)	One of the categories of hospital covered entities that are eligible to participate in the 340B Program. Sole Community Hospitals are designated by the Centers for Medicare and Medicaid Services. To be eligible to participate in the 340B Drug Pricing Program, Sole Community Hospitals must also have a disproportionate share adjustment percentage equal to or greater than 8 percent for the most-recently filed Medicare Cost Report and meet the requirements of Section 340B(a)(4)(L)(i) of the Public Health Service Act.
Start Date	Denotes an entity’s start date in the 340B program. Entity start dates are updated quarterly.
Termination Date	The date in the 340B OPAIS on which a covered entity or a contract pharmacy’s participation in the 340B program is terminated. After its termination date, a covered entity can no longer purchase 340B drugs.
Tribal Contract/Compact with IHS (P.L. 93-638)	One of the categories of non-hospital covered entity groups that are eligible to participate in the 340B Program. Tribal Contract or Compact Health Centers (also called a 638 contract or compact) are operated by Tribes or Tribal organizations and Urban Indian Health Centers are outpatient health care programs and facilities that specialize in caring for American Indians and Alaska natives. They are operated under the Indian Self-Determination Act. To be eligible to participate in the 340B Drug Pricing Program, these health centers must be operated by programs funded under P.L. 93-638 or 25 USCS §1651.
Tuberculosis (TB) Clinic	One of the categories of non-hospital covered entities that are eligible to participate in the 340B Program. These entities receive funding from their state tuberculosis control offices to prevent, diagnose and treat tuberculosis. The Centers for Disease Control and Prevention administers the program.
