This list is not exhaustive: many of the programs and resources listed in these pages cover a much broader range of potential uses.

# Federal Resources for Rural Communities to Help Address Substance Use Disorder and Opioid Misuse

Thursday, October 11, 2018

In May 2018, the Office of National Drug Control Policy (ONDCP) stood up a Rural Opioid Federal Interagency Working Group to help address the opioid crisis by improving coordination of and reducing potential overlap among the Federal responses in the Nation's rural communities. The IWG is co-chaired by ONDCP and USDA. This document is the first output, a guide to the resources that can help make a difference in your communities.
