### Newsletter Announcement

The Health Resources and Services Administration (HRSA) has opened the 2021 [Nurse Corps Scholarship Program](#) (SP) application cycle. Nurse Corps SP provides financial support to students enrolled in nursing degree programs in exchange for a commitment to serve in high-need areas across the country. Scholarship support includes payment of tuition, required fees, other reasonable educational costs, as well as a monthly living stipend. After graduation, scholarship recipients fulfill their service commitment at an approved health care facility with a critical shortage of nurses. Check out the program's [fact sheet](#) to learn more.

### **Nursing Students: Apply to the 2022 Nurse Corps Scholarship Program**

HRSA's programs aim to improve the health of underserved and vulnerable populations by strengthening the health workforce and connecting skilled professionals to communities in need. In line with these efforts, the Nurse Corps Scholarship Program (SP) provides scholarships to nursing students in exchange for a minimum two-year, full-time service commitment (or part-time equivalent) at an eligible health care facility with a critical shortage of nurses.

As a Nurse Corps SP recipient, the participants will have the opportunity to increase access to care by delivering nursing services to those in need. In exchange, they will receive funds to support nursing school tuition and eligible fees; an annual payment to cover expenses for books, clinical supplies, and instruments; and monthly stipends to cover living expenses.
