

# Education and Training Subcommittee Priorities

SACHDNC Advisory Committee Meeting  
May 17, 2012

# Subcommittee Charge

---

- ▶ Review existing educational and training resources, identify gaps, and make recommendations regarding five groups:
  - ▶ Parents and the public
    - ▶ Parents
    - ▶ The public
  - ▶ Health professionals
    - ▶ Health professionals
    - ▶ Screening program staff
    - ▶ Hospital/birthing facility staff

## Priority 1: Track, provide input on, and facilitate integration of national initiatives and committee-initiated activities

---

- ▶ **Activities of major professional organizations**
  - ▶ AAP, ACOG, AAFP, DoD, MoD, regional collaboratives, etc.
- ▶ **Major education and awareness activities**
  - ▶ Genetics in Primary Care Initiative
  - ▶ Newborn Screening Clearinghouse
  - ▶ Other major sources of information for the public or professionals
- ▶ **Research and policy developments that might impact the subcommittee's activities or recommendations**
  - ▶ For example, dried blood spot retention and use

## Priority 2: Promote newborn screening awareness among the public and professionals

---

- ▶ Continue to support and provide input on the 2013 Newborn Screening Awareness Campaign plans and activities
- ▶ Develop recommendations for the SACHDNC regarding activities that could extend beyond a year-long campaign to promote ongoing awareness and support for newborn screening

## Priority 3: Provide better guidance for advocacy groups and others regarding the nomination and review process

---

- ▶ **Collaborative effort between the evidence review group and the Education and Training Sub-committee**
- ▶ **Goals**
  - ▶ Increase transparency of nomination and review process
  - ▶ Provide guidance for “getting your condition ready for nomination and review”
