

Federal Office of Rural Health Policy (FORHP) Celebrates Rural Health Day

NEARLY
1 IN **5** Americans live in rural communities totaling about
 **57 MILLION PEOPLE** across the country.

Only **5½** physicians serve **10,000** people in rural communities.
That is **less than ¼** of the national average.

FORHP  **400**  **400,000**
GRANTEES RURAL RESIDENTS

FORHP funds **more than 400 grantees** and impacts the lives of **about 400,000 rural residents**.

FORHP grantees reach Americans in all 50 states.
