

HRSA

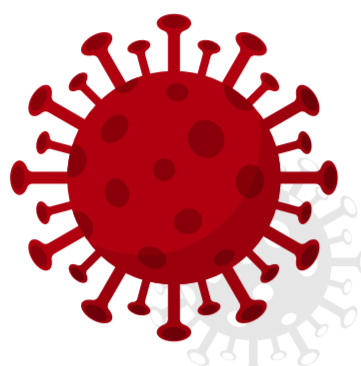

2021

YEAR IN REVIEW

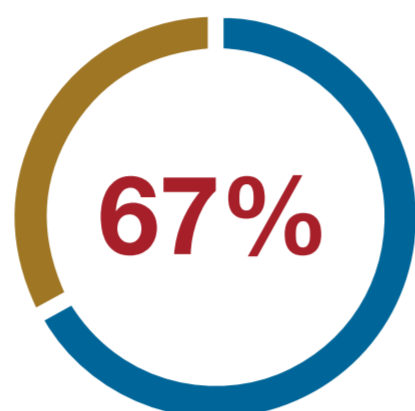

TENS OF MILLIONS of Americans receive quality, affordable health care and other services through HRSA's **90-PLUS PROGRAMS** and more than **3,000 GRANTEES**.

COVID-19 RESPONSE

In Fiscal Year (FY) 2021, HRSA awarded **MORE THAN \$8 BILLION**, through grants and other funding mechanisms, in response to the COVID-19 pandemic.

In 2021, **MORE THAN 17 MILLION** COVID-19 vaccine doses have been administered by health centers.

were provided to racial and/or ethnic minority patients.

Provider Relief Programs

In 2021, HRSA made **MORE THAN 100,000 PROVIDER RELIEF PAYMENTS**, and has reimbursed a total of **NEARLY 130 MILLION** COVID-19 testing, treatment, and vaccine administration claims through the HRSA COVID-19 Uninsured Program.

HEALTH CENTERS

NEARLY 29 MILLION PEOPLE—**1 in 11 NATIONWIDE**—rely on a HRSA-supported health center for affordable, accessible primary health care, including:

1 in 9 CHILDREN (17 years or younger)

1 in 3 PEOPLE living in poverty

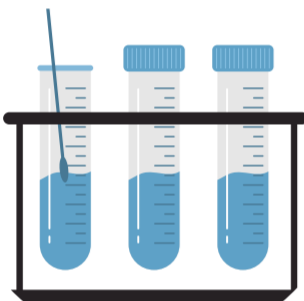

1 in 5 PEOPLE living in rural communities

Nearly **377,000** veterans

RURAL HEALTH

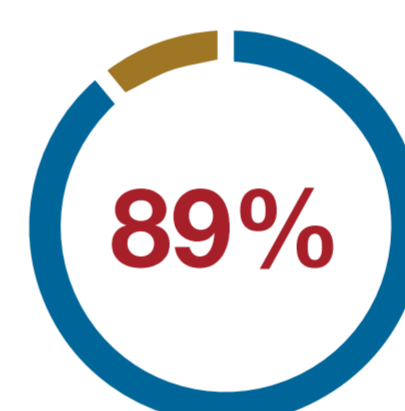

HRSA invested **NEARLY \$1 BILLION** from the American Rescue Plan for rural COVID-19 testing, mitigation, and vaccine education and distribution.

MORE THAN 1,500 COUNTIES across 47 states and 2 territories have received substance use disorder prevention, treatment, and recovery services through the Rural Communities Opioid Response Program.

HIV/AIDS

In the United States, **MORE THAN HALF A MILLION PEOPLE WITH DIAGNOSED HIV** receive services through the **Ryan White HIV/AIDS Program**.

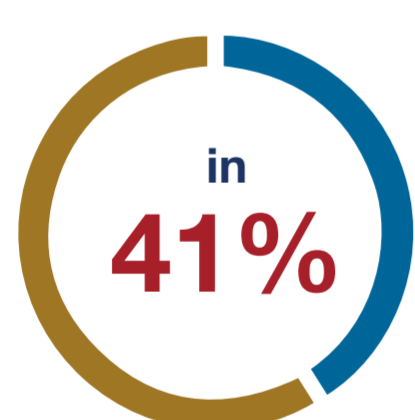

of Ryan White HIV/AIDS Program clients receiving HIV medical care are virally suppressed in 2020.

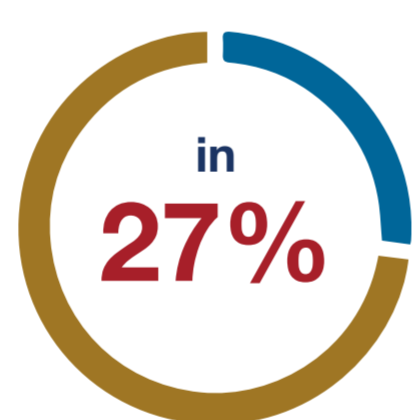

- A historic increase from **70%** in 2010
- Exceeds the national average of **66%**

MATERNAL & CHILD HEALTH

In FY 2020, approximately **140,000 PARENTS AND CHILDREN** received maternal, infant, and early childhood **home visiting** services

of all urban counties

of all rural counties

An estimated **60 MILLION PREGNANT PEOPLE AND CHILDREN** benefit from **HRSA-funded infant screenings, preventive care visits, and other services**. This includes:

93% of all pregnant people

98% of all infants

60% of all children (including children with special health care needs)

HEALTH WORKFORCE

MORE THAN 22,700 CLINICIANS—the highest number ever—received HRSA scholarships or loan repayment assistance in exchange for working in underserved communities and providing primary care, dental, behavioral health, and opioid treatment services to **23 MILLION PATIENTS**.

TRANSPLANTATION AND ORGAN DONATION

HRSA's transplantation programs facilitated:

Nearly **6,200** bone marrow and cord blood transplants

Approximately **39,000** organ transplants (the highest ever)

TELEHEALTH

Virtual visits to HRSA-funded health centers increased by **NEARLY 6,000%** in 2020—**NEARLY 28 MILLION** more virtual visits than in 2019.

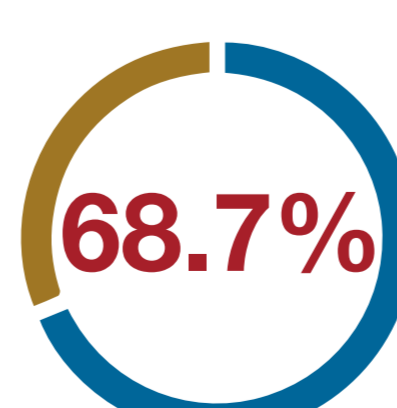

NEARLY 4,000 HRSA grant awards include telehealth, which is **APPROXIMATELY 37%** of HRSA's total grant awards.

340B DRUG PRICING PROGRAM

OVER 13,000 safety-net providers were able to purchase **NEARLY \$40 BILLION** of drugs at discounts of 25-50% through HRSA's prescription drug discount program.

POISON HELP

of approximately **2.1 MILLION HUMAN EXPOSURE CASES** were treated at the site of exposure by Poison Control Centers. This avoided ER visits and reduced health care costs.
