

## Napo Pharmaceuticals, Inc.'s Notice of Limited Distribution Network

This notice provides information to 340B eligible covered entities regarding the distribution of Mytesi® (crofelemer):

Product	Dosage	NDC	Package Size
MYTESI	125 MG TABLET	70564-802-60	Bottle of 60 tablets

To help ensure that patients being treated with Mytesi receive high quality supportive care and therapeutic adherence, Napo Pharmaceuticals, Inc. has developed a limited distribution plan designed to achieve these goals. This limited distribution plan applies to all customers – both 340B covered entities and other customers. Mytesi is available through the following authorized specialty pharmacies:

- CVS Specialty Pharmacy
  - Phone: 1-800-237-2767
- AllianceRX Walgreens Prime:
  - Phone: 1-866-202-4014
- Accredo Specialty Pharmacy:
  - Phone: 1-800-803-2523

340B covered entities wishing to obtain Mytesi for their patients at the 340B price should contact one of these three specialty pharmacies to arrange for the pharmacy to service the covered entity as a contract pharmacy and dispense Mytesi directly to the covered entity's patients.

Napo Pharmaceuticals is committed to ensuring that Mytesi is available to eligible 340B covered entities at the applicable statutory ceiling price, in a manner that is no more restrictive than it is for non-340B entities.

If you have any questions regarding access to Mytesi, please contact [trade@napopharma.com](mailto:trade@napopharma.com)
