

Notice of Changes to 340B Prices

May 27, 2022

Pursuant to 42 C.F.R. § 447.510(b), Eli Lilly and Company (Lilly) has submitted routine updated 2Q2019 Average Manufacturer Prices and Best Prices for certain of its covered outpatient drugs to the Centers for Medicare & Medicare Services (CMS) to account for lagged transactional data. These restated Medicaid prices result in both upward and downward adjustments to 4Q2019 340B Ceiling Prices.

Lilly uses wholesaler chargeback records to calculate and automatically issue refund payments to impacted eligible Covered Entities at the address listed in the HRSA database.

Lilly does not directly contact or automatically issue checks to Covered Entities who may be eligible for amounts less than \$1.00 resulting from this restatement. For these de minimis changes, Lilly is offering to refund such Covered Entities through this Notice.

Covered Entities who believe they may be entitled to a refund amount less than \$1.00 for

purchases of the above listed products in 4Q2019 or have questions about refunds Lilly already issued may contact Lilly at basesupport_cma@lilly.com with "Attn: 340B Recalculation" in the subject line to confirm any applicable amounts at issue and to initiate the payment process.

Lilly has requested that the Health Resource and Services Administration (HRSA) post this Notice on the HRSA public website to ensure transparency to Covered Entities regarding Lilly's recalculation and refund process.
